Preema International Limited

OUR CLIENTS

Restaurants & Hotels

Wholesalers & Distributors

Major Retailers

Corporation & GNFR

Preema International Limited has over 30 years of experience supporting businesses all over the world with a variety of janitorial, cleaning and catering products that are essential for our customers in the successful operation of their businesses and end customers.

Preema International Limited has over 30 years of experience in sourcing, manufacturing and distributing, catering, cleaning and janitorial products.

We sell to a broad range of businesses including; independent distributors, buying groups, wholesalers and large retailers.

We have grown extensively through our brand reputation and professional service, which has provided us with the enviable and extensive client base which we are so proud of today.

We also supply a broad range of catering and cleaning products into the retail sector to big names, where products are often displayed as own-labels.

Mission Statement

To strive for continued excellence in both service and quality to our customers.

To maintain the highest integrity within our company both in the people who work at Preema International Ltd and in the products or services we provide to our customers.

We have forward-thinking to stay on the leading edge of product innovation, keep abreast of the changes taking place in the marketplace in order to continue to evolve our company in a positive way.
